Sprint Review

Christopher Sulistiyo

Date: Week 13 (4 December – 8 December 2023)

What I've done for this week:

- Mailed and booked a room for the final product presentation
- Booked a room for the internship assessment
- Tried implementing Bearer Strategy in the API for checking the validity of access token in the request Authorization
- Update some pages in the client for creating, deleting, resuming, and pausing cron jobs
- Tried implementing functionalities for creating, deleting, pausing, and resuming cron jobs in the API

What went well:

-

What could be improved:

-

Questions:
