Sprint Review

Christopher Sulistiyo

Date: Week 13 (27 November – 1 December 2023)

What I've done for this week:

- Implement settings and admin page
- Implement better design on Flutter
- Implementing Widget extract in Flutter
- Adding more data and columns to the db
- Implement soft delete on the db
- Implement insert, update, and delete to the db
- Finished 80% of the API
- Code refactor API
- Code refactor front-end

What went well:

-

What could be improved:

-

Questions:

Note:
